Nader, Hayaux & Goebel is pleased to share our contribution to Chambers and Partners' Practice Guide on Corporate M&A 2024. Authors Michell Nader and Julián J. Garza C. offer a review of 2023 activity and share insights on Trends and Developments for 2024 in Mexico.

2024 is a pivotal year for M&A in Mexico, influenced by the presidential elections in Mexico and the United States. Despite the uncertainties these elections bring, the Mexican market remains robust, with strong M&A activity observed in 2023 across various industries including hospitality, industrial real estate, and manufacturing.

Key highlights from 2023 include a strong economic recovery tempered by inflation and high interest rates. Foreign investment remained strong, particularly in sectors like automotive, financial services, IT, and real estate. Nearshoring continues to be a significant driver, boosting industrial real estate and manufacturing sectors.

Looking ahead, M&A activity is expected to remain vibrant in 2024, especially in financial services, retail, hospitality, automotive, and tech sectors. Renewables and infrastructure projects may see increased investment with potential policy shifts. Mexico's potential in renewable energy is particularly noteworthy, promising substantial M&A opportunities.
