

Chambers Data Protection & Privacy 2024:

Category: Data Protection, Publications

written by Adrián Trejo Santiago | April 4, 2024

The Data Protection & Privacy 2024 guide features 34 jurisdictions.

NHG contributed to the Chambers Data Protection & Privacy Mexico's guide providing the latest legal information on online marketing, workplace privacy, access to data for national security purposes, international data transfers, data localisation requirements, and emerging digital and technology issues.
