

Nader, Hayaux & Goebel recognized in Chambers FinTech Guide 2026

Category: Firm news

written by Nader, Hayaux & Goebel | December 16, 2025

Nader, Hayaux & Goebel (NHG) is pleased to announce its recognition in the Chambers & Partners FinTech Guide 2026, one of the leading global references for excellence in the FinTech sector.

In this edition, NHG was recognized for its FinTech practice, reflecting the Firm's continued commitment to delivering innovative, high-quality legal solutions in Mexico's dynamic and evolving FinTech market.

Additionally, Chambers & Partners FinTech Guide 2026 recognized Adrián López for his individual expertise and contributions to the Firm's FinTech practice. His leadership, technical knowledge, and client-focused approach continue to strengthen NHG's position and impact within the FinTech ecosystem.

These recognitions reaffirm NHG's role as a trusted legal advisor in Mexico for complex FinTech matters, supporting innovative companies and financial institutions across the sector.
