Partner [Vanessa Franyutti](#) and Associate [Alejandro Alfonso](#) contributed to the Mexican Chapter of The Projects and Construction Review, 9th Edition.

Project financing and construction law are highly specialised areas of legal practice. Although there is an increased perception that project financing and construction law are global issues, the local knowledge offered by leading experts in 19 countries has shown that to understand the world, we must first make sense of what happens locally; to further advance our understanding of the law we must resist the modern view that all that matters is global and what is regional is of no importance.
