The firm advised FibraHotel on the acquisition of the Fiesta Americana Condesa Cancun

escrito por Adrián Trejo Santiago | octubre 5, 2020

The firm acted as counsel to FibraHotel, the first real estate investment trust (REIT) specialized in hotels in Mexico, in the acquisition of the Fiesta Americana Condesa Cancun All Inclusive Resort in a sale and lease back transaction with Grupo Posadas.

The Fiesta Americana Condesa Cancun is an iconic All-Inclusive five star resort in a prime location with over 200m of beach front and over 40,000m2.. The Resort has 507 full-service rooms that were recently renovated, and will be operated by Grupo Posadas and FibraHotel under a long-term lease agreement with fixed and variable rent components.

The firm advised Mexican construction consortium APP Coatzacoalcos Villahermosa securitise collection rights from a toll road

escrito por Adrián Trejo Santiago | octubre 5, 2020

The firm advised Mexican construction consortium APP Coatzacoalcos Villahermosa securitise collection rights from a toll road, issuing notes worth MXN\$1,950 million in an innovative project financing transaction. Banco Invex and Monex Casa de Bolsa acted as trustee and common representative for the noteholders respectively.

The deal monetises future toll road revenue it will get from drivers using the motorway; it issued the notes through a trust, which is the payment beneficiary under the PPP.

APP Coatzacoalcos Villahermosa is a consortium made up of Portuguese construction company Mota-Engil and Mexican counterparts Calzada Construcciones and Construcciones y Dragados del Sureste.
