NHG is pleased to inform that [Alejandro Rojas](#) and [Fernando Castillo](#) contributed to the fifth edition of The Public-Private Partnership Law Review. Notwithstanding the number of chapters in various publications in The Law Reviews series on topics involving public-private partnerships (PPPs) and private finance initiatives (in areas such as projects and construction, real estate, mergers, transfers of concessionaires' corporate control, special purpose vehicles and government procurement), this edition has a deeper understanding of the specific issues related to this topic in different countries.

The Mexico chapter can be downloaded free of charge [here](#). Further information and instructions on how to purchase the publication can be found on [The Law Review's website](#).
