

Lexology In-Depth: The Sustainable Finance Law Review - Edition 2

Category: ESG,Publications

written by Adrián Trejo Santiago | March 7, 2024

NHG contributed to the In-Depth: Sustainable Finance Law for Mexico. With an overview from partners Yves Hayaux du Tilly, Luciano Pérez, Ana Paula Telleria, Santiago Medina and of counsel José Manuel Zavala.

The guide provides a practical overview of Mexico on sustainable finance and regulatory efforts across multiple jurisdictions. It also tracks the evolution of sustainable finance and outlines key trends for the near future. Topics examined include sustainable disclosure requirements and taxonomies, sustainable finance instruments and incentives, and much more.
