

Telecoms & Media 2023 (Lexology GTDT)

Category: Publications, Telecoms

written by Adrián Trejo Santiago | July 6, 2023

NHG contributed to the Telecoms & Media 2023 guide with an analysis of the key regulatory framework for the telecoms sector in Mexico, including licensing regimes, spectrum use, private equity funds, digital services, universal service obligations and data protection, among others.

With Partner Julián Garza and associate Juan Lizardi overview.
