Sandbox Challenge

Nader, Hayaux & Goebel

NHG, as an official sponsor of Sandbox Challenge Mexico, announced that the submission period is now open.

Sandbox Challenge is the second edition of an innovation competition to promote innovative models contemplated in the Fintech Law and thereby strengthen the entrepreneurial ecosystem in the financial services sector, organised by the consultancy firm DAI and Distrito Emprendedor, with the support of the Financial Services Programme of the UK Embassy's Prosperity Programme in Mexico.

The invitation is for entrepreneurs from Mexico, Latin America and other parts of the world who have innovative projects to offer financial services based on emerging technologies and who want to test them in the Mexican financial system through innovative models.
